

Inland Valley **HOPE** PARTNERS

Presents *Gleaning HOPE*

The mission goal for **Gleaning HOPE** is to provide fresh fruits and vegetables to people who are in need of food.

What We Do: Our Volunteers glean and “pick” all of the fresh fruits and vegetables from local community households. We send these fruits and vegetables directly to our food pantries in Ontario, Claremont, and Pomona where the fruits are distributed to those in need.

How You Can Make A Difference—Get Involved!

If you have any fruit trees or vegetable patches in your backyard—or if you know of neighbors who do!—just contact us and we’ll send over your own personal gleaning crew to pick your fruits or vegetables.
